Best Practice -11

INTER-UNIVERSITY SCINEX MILLENNIUM:

Date of Event :21-11-2019 to 23-11-2019

No. of models: 600

Goal:

The main goal of "SCINEX MELLENNIUM" is to provide an opportunity for the students of Arts, Commerce and Science students to excel their talent in capacity building, competency and role modeling by displaying their innovative and creative ideas through models at the university level.

Objectives:

1. The main objective of this exhibition to develop interest among the students in the field of science, technology and various aspects in the present scenario at the inter-university level. It provides an opportunity to the students to explore their talent and mettle through models.
2. The objective behind this exhibition is to enhance their personality development through the presentation of the models. Students are motivated to participate in this exhibition in huge numbers to explore their inner talent and skill in the field of science, technology, commerce and social sciences in order to achieve their respective goals.
