

Best Practice -II

1. **Title of the Practice: SCINEX MILLENNIUM: (Arts, Commerce and Science exhibition)**
2. **Objective of the Practice:**
 - The main objective of this exhibition to develop interest among the students in the field of science, technology and various aspects in the present scenario. It provides an opportunity to the students to explore their talent and mettle through models.
 - The objective behind this exhibition is to enhance their personality development through the presentation of the models. Students are motivated to participate in this exhibition in huge numbers to explore their inner talent and skill in the field of science, technology, commerce and social sciences in order to achieve their respective goals.
3. **The Context:** The main goal of “SCINEX MELLENNIUM” is to provide an opportunity for the students of Arts, Commerce and Science students to excel their talent in capacity building, competency and role modeling by displaying their innovative and creative ideas through models.
4. **The Practice:** The Arts, Commerce, Science exhibition which is popularly known as “SCINEX MELLENNIUM” are organized only in our institution and Chhattisgarh state. During the academic year 2016-2017 total numbers of models was 250 and more than 1500 students were participated.
5. **Evidence of Success:** The outcome of this exhibition is to provide students to excel their creativity and innovation in the field of Arts, Commerce and Science and to make aware about the recent trends to the community as a whole. The models were evaluated by the external experts from various colleges and university and results were declared accordingly.
6. **Problem Encountered and Resources Required:** The demand of the models is increasing year by year, so the problem of space is the issue.
