POLICY ON ADVANCED AND SLOW LEARNERS MECHANISM

Through this Policy our Institute pronounces its assurance to the vital facilitation and prop up the advanced learners to enhance their skill and capacity and slow learners to be better performer and achiever in their academic and personal life. The Policy also encourages the teachers to develop significant strategies and its implementation to benefit both the advanced and the slow learners

Advanced Learners: In this Policy those students are considered as Advanced Learners who can engage learning activities faster than the other students and achieve high scores and make significant achievements in their academics. They are more potential with their comprehension, retention, memory, critical thinking and creativity. These students can easily take up higher level learning.

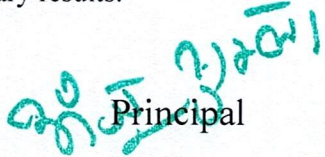

Measures Taken for Advanced Learners: In our Institution some Value Added or Skill Enhancement Programs are conducted for such students to enhance their skill.

Slow Learners: In this Policy those students who are unable to keep pace with the classroom teaching and obtained below the passing marks in their Main Examinations are considered as slow Learners. They need extra attention and guidance to improve their performance and ability.

Identification of Slow Learners: In this category we put those students who get below the passing marks in any subject their Final Examination.

Measures Taken to Improve the Performance of the slow Learners: special or Extra Classes are taken with appropriate focus on the subject and topics in which the students are found weak or got below the passing marks.

Learning Analysis of the Slow Learners: To access the learning ability of those students who found as Slow Learners and got extra guidance, we analyze their supplementary results.
