Objective : Objective of workshop are (1) Providing the young aspirants to opt for career as per their ability and capacity. (2) Role of teachers in creating a motivating environment and open doors for better communication. (3) To give exposure to young learners in terms of various technologies and latest trends in the society.

Brief Report

Mr. Surendra Mohan, Sandipani Academy Pendri (Masturi) Bilaspur, CG, was invited as resource person for the workshop topic on career guidance organized by Department of political science at D. P. Vipra College, Bilaspur (CG). In this Collaborative activity, 80 students had actively participated in this workshop. Mr. Surendra Mohan, discussed about the different career opportunities, procedure to appear those careers, different competitive exams and also planned to make them to understand the importance of having goal and passion and hard work to achieve the desired goal. For that we have involved some social games and shown motivational video clips to the students who all were participated in the workshop.

Career guidance can be defined as "services and activities intended to assist individuals of any age and at any point throughout their lives to make educational, training and occupational choices and to manage their careers. The one day Capacity Building Workshop on Career Guidance reflected the need for guidance to prepare the young aspirants to take the complex decision of choosing their career as per the basic determinants of career choice which includes Aptitude, Interests, Values and Ability. The workshop prominently covered the importance of educational and occupational information and various future prospects associated with it.

Outcome: The aims of guidance for choosing a career (self understanding, self accepting and selfdirecting) and the difference between career counseling and career guidance were discussed indetails.The session aimed at making teachers aware of the multiple career options available.

Brief Report

Mr. Atul Kumar Saurabh, Devops Engineer of Career power has delivered an inspirational lecture on "A Career Orientation Talk for Computer Science for M.Sc and B.Sc computer science students He explained the impact of computer science on different fields of science, engineering and society. He demonstrated the application of computer science in banking and finance domain with suitable examples. He elucidated different possible career paths and opportunities for computer science graduates. He pointed out that the biggest barrier for placement of a student is the mismatch between industry desired skill set and the skills imparted through their academic curriculum. Further, he suggested careful planning of academic curriculum with emphasis on industry requirements will boost the placement record of the institution. Further, he emphasized to raise the basic awareness of entrepreneurial concepts and turn their academic projects and innovative ideas into startup ventures. The lecture provided various insights on career opportunities for the computer science graduates and emphasized the significance of strong communication skills apart from academic merit of the student in their career path. At

last Dr.Richa Handa, Asst. Professor, CSE Department, thanked Resource person, for his valuable time and motivational words.

Outcome: The aims of guidance for choosing a career (self-understanding, self-accepting and self Directing) and the difference between career counseling and career guidance were discussed indetails.
